

EP GREASE NLGI 2

Product Description:

EP GREASE NLGI 2 is a high quality multipurpose lithium thickened EP-2 grease suited for automotive, agriculture and industrial applications. **EP GREASE NLGI 2** is suitable for use in a wide range of plain and rolling bearings.

EP GREASE NLGI 2 is based on high quality mineral base oil in combination with an unique additive package to ensure the following properties:

- Excellent resistance to humidity, preventing that moisture reaches the metal surfaces that need to be lubricated.
- High anti-corrosion, antioxidant and anti-rust capacity.
- High adhesion and smoothness.
- Excellent mechanical stability.

Temp Range: Continuous operation: -20°C to + 130°C. Short periods maximum +140°C

EP GREASE NLGI 2 exceeds the following performance criteria:

KP2K-30

L-XCCEB-2

Property	Unit	Test Method	Typical Value
NLGI Grade		ASTM D217	2
Thickener type			Lithium
Color		Visual	Amber
Penetration loss after 105 strokes, 25 °C	mm	ASTM D-217	10
Dropping Point	°C	IP 396	>1+0
Base Oil Viscosity @40°C	mm ² /s	ISO 12058	220
4-Ball Weld Load	N	DIN 51350-4	>2500
Water resistance, 3h, 90 °C		DIN 51807	1

Product Nr: 43990

Date Superseded: 22-10-20110

Date Issued: 16-12-2019

Revision nr: 02
